

The Stroud Winter League 2015-16 AGM Report

A team:

After a very near miss by 1 point to Painswick A in 2014/15, the team gave it another go and managed this time to successfully grab the division title!

An undefeated season with 7 wins and 3 draws from our 10 matches saw us finish on 56 points, 8 points clear of second place Cam and Dursley.

Overall there was some great tennis played by everyone with the highlight of the season being a great 7-1 home win v Painswick A which really set us on the way.

A great effort from Shane Horsell, Paul Harris, Joe Sach, Katie Ballard, Ange Baldock, Julie Taylor and Jane Beaumont, and we look forward to having a real go at defending the title this year.

Thanks to the super team, and to the few super subs who helped out.

Paul Harris

B Team

The SWL B team decided at the start of the season that we just wanted to have fun with friends (we love the Sunday format) and that's what we did. Unfortunately, the fun didn't always translate into good results and we ended the season second from bottom. This season we are in Div 2 with the C team and already enjoying the matches once again. Thanks go to everyone who played and particularly to Midge, who was a season-long super sub.

Ro Lyon

C Team

This was our second year as a team and, as there were significant changes from the first one, we had to establish some new pairings. The team was Ann N, Britta, Jonathan, Lilian, Louise, Paul W and me, with Barry helping out in our first match.

Despite ending up second from bottom in Division 2, we have remained there for this new season because of additional clubs joining the league and the subsequent re-sizing of some of the divisions. Must try harder!!

Adrian Potter

D Team

2015/16 was the first year in the SWL for Cirencester D. Our team members were Claire Wood, Anna Gell, Di Horsell, Julie Carter, Jenny Hood, Gordon Hood, Andrew Lazenby, Tim Crook and Martin Groombridge.

We enjoyed playing a different format, i.e. one mixed and one Men's/Ladies doubles match and came 2nd in our division. We are playing more or less the same teams this year - so intend to do even better - Fighting talk!!

Jenny Hood
