

## **Coaching Report 2017**

### Coaching Numbers

These have remained constant other than the summer term 2017 which saw a rise in kids attending. Current numbers are 151 attending courses and 45 people on average attending adult drills each week.

### Schools Coaching

Powells School is still our club link. ADS tennis again ran all of the local tennis festivals and will do again in 2018.

### Coaching Staff

Jack Gower is no longer with ADS Tennis. Zach Webb has come on board and is taking on more private lessons every week.

John Mellowes continues to be an excellent ambassador for ADS Tennis. Jonathan Gell has completed his level one coaching award and Oscar Snowball is currently taking his level two award.

### Camps

Once again, I would like to thank the Roll Up adults for accommodating the kids during the summer weeks. It is massively appreciated, and the camps could not work with the cooperation of those club members. Numbers were down slightly on 2016 but they were as ever great fun and created work for all the coaching staff and for many of our club's older juniors.
