

Chair's Report Nov 22

Well I've had my first full year as Chair and it's all gone rather well!

Helped in large part by the well-oiled machine that is the committee, the coaching team and volunteers who make sure we function well and look good.

The stand-out success of the year has been the refurbishment of the back 3 courts. I thank all the committee for driving this through, Jonathan for his financial steering and of course George for all the other little bits! (No, seriously, we are indebted to him).

Our membership is a great success. The best it's ever been and we are retaining people. We have a significant number of new members who have involved themselves in club activities, tournaments and teams and added personality, energy and enthusiasm and we love you for it.

We have plans for a summer party/BBQ to which all old hands and new would be most welcome.

I am looking forward to a year of peaceful maintenance!

Zena Marchington
Acting Chair – Nov 2021
