CIRENCESTER TENNIS CLUB AGM 8 November 2022

Treasurer's report for the financial year ending 30 September 2022

Despite the difficult start to the year, the club's underlying financial position remains healthy, partly thanks to another Covid-related grant of £8,000 from CDC, and partly due to an increase in membership numbers.

Costs have remained under good control, allowing us to increase the retainer we pay to Phoenix Tennis. Rent looks lower than expected, but this is only because of an invoicing delay.

We began the year with £81,278 in the bank, and ended it with a balance of £121,203. This end-year balance includes £52,823 in the sinking fund, which we were obliged to set up as part of our loan agreement with the LTA.

Our outstanding debt to the LTA now stands at £17,500.

With inflation taking off, we decided to bring forward the resurfacing of the back courts. As the work had not been completed at the end of the financial year, the costs of this (around £80,000) will appear in next year's accounts. This will require us to use part of the sinking fund. Otherwise, only minor capital improvements are planned.

Membership income is budgeted to rise by around 3%.

My grateful thanks to Paul Jenkins, for auditing the accounts.

Members are invited to receive the accounts and to note the budget for 2022-23.

Jonathan Vickers (treasurer)
