

The junior tennis programme at Cirencester Tennis Club continues to grow and encourage our young players to pick up and enjoy tennis at all levels. The Phoenix programme offers a wide range of levels, age and ability groups and ensures there is a constant buzz (and laughter!) coming from the courts in the afternoons.

The introduction of LTA competitions has been a wonderful addition to the junior tennis programme, encouraging lots of our CTC players as well as those from other clubs to come and take part in some healthy competition. With a strong relationship with our LTA Referee, Jessica Cook, we have successfully run multiple tournaments including a fantastic week long Cirencester Summer tournament, which attracted over 100 entries in all age groups. The overwhelming feedback from players and parents attending these events has been positive, they have thoroughly enjoyed playing and using the facilities at CTC.

We also held a wonderful Club Championship as well as a Road to Wimbledon competition, with our winner making it through to the semi finals in the next round.

We also currently have a very healthy pipeline of junior performance players, with four players representing Gloucestershire in the juniors.

We look forward to the coming year of tennis and encouraging more juniors to take part.
