

Membership Report 2023

The following table details the change in individual members by category, in what was again a very good year overall for the club:

Membership Type	2021	% change	2022	% change	2023
Women	136	+5%	143	+1%	138
Men	169	+5%	178	+9%	184
Students	19	-16%	16	-32%	13
Juniors	84	-11%	75	-4%	81
Children	33	-18%	27	-27%	24
Total	441	-0.5%	439	+0.2%	440

The total membership has remained very steady over the last three years. There has been a healthy increase in the number of adult players, but a bit of a drop in younger members, particularly the under 10s
